3.	On 4 September, the Futlitz Kaserne was occupied by an estimated 1,000 to 1,200 troops wearing red-bordered black epaulets with artillery insignia. A total of 18 x 57-mm AT guns and 12 x 100-mm AT guns were observed. The 76.2-mm AT guns previously observed there were no longer seen. Troops observed instruction on carbines and submachine guns and engaged in physical training. Troops were no longer restricted to quarters and were repeatedly observed in the town area.	25X1B 25X1B
